CHIEF SECRETARY.
2 JULY 1929

6 The lot of Sanitary Inspectors is hard. They get held up at Rs. 87/- prospects of getting beyond that being restricted. I should therefore strongly support the proposal of the Kolar District Board to raise their pay to a maximum of Rs. 100/-

7 Under the present scale of pay, a Sanitary Inspector gets Rs. 87/- after 25 years of service. In case he is to rise to Rs. 100/- maximum, the first increment may be Rs. 5/- at the end of 26th year and the second increment of Rs. 8/- at the end of 27th year. So, before he puts in 30 years of service he would have been in receipt of Rs. 100/- for 3 years, entitling him to a full pension on Rs. 100/-

8 Such a general increase is not likely to seriously affect the local Bodies' finances. For, after all the men that will reach Rs. 87/- and are likely to go into 100 grade will be so few every year.

The District Boards of ~~Kolar, Bangalore~~ Bangalore, Kadur, Hassan, Kolar ~~all districts except Mysore & Chitaldrug~~ districts are in favour of giving increased pay to the Sanit Inspectors; whereas the Tumkur DBd have no objection to the proposal ~~but~~ they modify the ~~post~~ scale proposed, fixing the same as (35- 2- 65/5/2 -85-5-100). and the DBds of Mysore and Chitaldrug districts are not in favour of the proposal.

While the rest are not in favour.

10 The Dy Commr Bangalore Dist. states that not even in one of the town municipalities in the District, the existing grade of Rs 87. has been given effect to, owing to financial stringency. He is of opinion that even though the pay of the Sanitary Inspectors is raised in the general case, there is no chance of the increased scale being brought into operation in any of the municipalities and that therefore recommends that whatever scale of pay is adopted it should be one provincial scale so as to admit of transfers from one district to another or from one local body to another in the interests of expediency and efficiency and that the revised scale may be given effect to in case of those which command sufficient financial resources and also

The points for consideration are

26) 1) whether any special increments need be sanctioned or if each Municipality may be left to increase the scale as it sees convenience

2) In case any increase is to be sanctioned whether the scale should be one proposed by the Kolar District or a triennial increment of Rs 5/-

The Commissioner's proposal as noted above or

The Tumkur District proposal which seems to be a progressive scale for a series of years.

The interesting feature of sanitary administration of these areas which has to be the primary duty of the local bodies, are improvement in the prospects of the staff seems called for.

Thro' (The Deputy Commissioner, Kolar District.)

Sir,

I have the honour to invite kind reference to Government order No.R.16474-95 ML.184-21-23 dated the 24th June 1919 sanctioning the revision of the pay and prospects of Sanitary Inspectors and to G O.No. L.1512-13 L.B. 28-27-8 dated the 13th Septr.1927 sanctioning the entertainment of Five Sanitary Inspectors under this Board on the same grade of pay and fixed allowance of Rs.30/- a month as also to G.O.No.9049-50 L .B. 226-26-2 dated the 30th June 1927 sanctioning a reserve Sanitary Inspector to the Board and to state that the circumstances when the order of June 1919 referred to above was passed were more favourable than at present in as much as the chances for the promotion of such officials by transfer to the Revenue Department have now been considerably restricted if not altogether denied. The scheme of direct recruitment for the several posts have also in practice closed the doors of promotion with the result that the Sanitary Inspectors have no scope to raise their pay beyond Rs.87/. They represent that the prospects of retirement on Rs.43-8-0 after a service of 30 years in executive capacity are very depressing and add that some relief by enhanced pension would be very necessary to assure a decent living in retirement.

2. The question was considered by the Standing Committee of the Board who very sympathetically recommended the case for the sanction of the Board. The Board have in their meeting of the 2nd instant approved of the recommendation of the Standing Committee. Copy of their resolution No.4(3) is enclosed for the information of Government.

3. I request that the recommendation of the Board to raise the pay of the Sanitary Inspectors to a maximum of Rs. 100/- by further biennial increase of Rs.5/- may kindly be sanctioned.

Letter No. L. 1355-71 L.B. 17-28-61 dated 22nd August 1929 from the General Secretary to the Government of Mysore to the Deputy Commissioner, Mysore District.

With a view to improve the pay and prospects of the Sanitary Inspectors in the State the District Board of Kolar have recommended that the existing minimum pay of these officers may be increased from Rs. 87/- to Rs. 100/- by biennial increments of Rs. 5/- each. The Sanitary Commissioner in Mysore who was consulted in the matter has stated that he is agreeable to raise the pay to Rs. 100/- and has added that under the existing scale of pay sanctioned in Government Order No. L. 16474-95 Ml. 184-16-23 dated the 24th June 1919, a Sanitary Inspector gets Rs. 87/- after 25 years of service and that in case he is to raise to Rs. 100/- the first increment after reaching Rs. 87/- may be fixed at Rs. 5/- at the end of the 26th year and the second increment fixed at Rs. 8/- at the end of the 27th year so that he may draw Rs. 100/- for 3 years before he puts in 30 years service and be entitled to a pension of Rs. 50/- It is further stated that the proposed increase is not likely to effect the finance of the Local Bodies as the Officials who reach Rs. 87/- and are likely to get into the higher grade will be very few.

2. I am directed to request you to kindly place the above proposals before the several Municipal Councils in the District and communicate their resolution in the matter for the orders of Government.

Letter No. L. 1355-71 L.S. 17-28-61 dated 22nd August 1929 from the General Secretary to the Government of Mysore to the Deputy Commissioner, Mysore District.

With a view to improve the pay and prospects of the Sanitary Inspectors in the State the District Board of Kolar have recommended that ~~xxx~~ the existing minimum pay of these officers may be increased from Rs. 87/- to Rs. 100/- by biennial increments of Rs. 5/- each. The Sanitary Commissioner in Mysore who was consulted in the matter has stated that he is agreeable to raise the pay to Rs. 100/- and has added that under the existing scale of pay sanctioned in Government Order No. L. 16474-95 Ml. 184-16-23 dated the 24th June 1919, a Sanitary Inspector gets Rs. 87/- after 25 years of service and that in case he is to raise to Rs. 100/- the first increment after reaching Rs. 87/- may be fixed at Rs. 5/- at the end of the 26th year and the second increment fixed at Rs. 8/- at the end of the 27th year so that he may draw Rs. 100/- for 3 years before ~~xx~~ he puts in 30 years service and be entitled to a pension of Rs. 50/- It is further stated that the proposed increase is not likely to effect the finance of the Local Bodies as the Officials who reach Rs. 87/- and are likely to get into the higher grade will be very few.

2. I am directed to request you to kindly place the above proposals before the several Municipal Councils in the District and communicate their resolution in the matter for the orders of Government.

SIR,

SUBJECT:— The proposed increase in the pay of the Sanitary Inspectors.

With reference to your letter No.L.1355-71/L.B.17-28-61 dated 22nd August 1929, calling for the opinion of the local bodies in the District in the matter raising the pay of the Sanitary Inspecto from Rs.87/- to 100/-, I have the honor to state that the resolution of the District Board, Bangalore, has already been submitted to Government. As regards the Town Municipalities, they are also in favour of the proposed increment but in this connection, I may point out that not even in one of the Town Municipalities in this District, the existing grade up to Rs.87/- has been given effect to, owing to financial stringency and the pay of the appointment is fixed at about Rs.35/- with a cycle allowance of Rs.10/- or 5/- There is no Sanitary inspector in the Municipality of ~~Ajekal~~ Anekal at present In these circumstances, even though the pay of the Sanitary Inspector is raised in the general cadre, there is no chance of the increased scale being brought into operation in any of these Municipalities. I am however of opinion that, whatever scale of pay is adopted it should be one provincial scale so as to admit of transfers from one District to another or from one local body to another in the interests of expediency and efficiency. I submit that the revised scale may be given effect to in case of the District Boards, which ~~commenced~~ command sufficient financial resources and also have supervision over larger area.

As regards the minor Municipalities, the resolutions enclosed clearly indicate that only Sanitary Maistries(Rs.20/-)are employed in some Municipalities and no separate establishment has been

found possible in case of Yelahanka, Vadigenahalli, Hoskote and Sarjapur Municipalities. The last named Municipal Council in its resolution has approved of the proposed grade, but this has not the support of responsibility since this Municipality has not been able to entertain even a Sanitary Maistry.

The resolutions of several Municipalities in the District are enclosed herewith.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Sir,

With reference to your letter No. L. 1355-71/L.B. 17-28-61, dated 22-8-1929, calling for the resolutions of the Municipal Councils re: the proposal of the Sanitary Commissioner to increase the pay of the Sanitary Inspectors from Rs.87/- to Rs.100/-, I have the honour to state that only 4 of the Municipalities in this District Viz., Shimoga, Sagar, Bhadravati and Thirthahalli, have employed services of the Sanitary Inspectors, while the first two Municipal Councils agree to this proposal. Bhadravati Municipal Council propose two grades of pay,- one for the Assistant Sanitary Inspectors from Rs.35/- to Rs.55/- and another for the Sanitary Inspectors from Rs.60/- to Rs.100/-. This is with a view to enable the small Municipal Councils of the lower grade to employ free officials. The Thirthahalli Municipal Council is not in favour of enhancing the present maximum pay. The resolutions of the Municipal Councils in the matter are enclosed herewith for reference.

I have the honour to be,
